Jennifer:

Our "champion" on the federal level has been Senator Schumer and we (The Chamber) have reached out to him again. Waiting for his response.

I'm waiting for some information from Jack Williams (Region 9 DOT Director). He is in Albany today. I hope to get the info needed from him tomorrow, I will call you asap once I hear from him. Also has anyone spoken to Arcuris office on this project?

Jennifer, were you able to find anything out about our Multi-Modal funding for the Pony Farm Bridge replacement project? Thanks Bob
